

The 157th Annual Castlemaine Show was a great success. With the Gate well up on last year, The weather turned very a bit cool for the Friday night activities but at least it did not rain. Folk still continued to give support Saturday with entries in the Horse sections saw a lot more spectators than in previous years. The Black snake exhibit and the Animals to you petty farm were very popular with the youngsters. Pavilion entries were down in some sections but Junior Cooking as well as adult cooking was well supported, The Children continue to support the Horticuture. Fleece entries up. Also a new attraction with the Miniature Goats. Sheep entries up a little on previous years. Congratulations to all winners and thankyou all for your dedication to the Show.
